

Tatoosh School Bridger Scholarship Application

Anyone can apply for a Tatoosh School Bridger Scholarship by submitting the 2018 Application and \$50 application fee, scholarship application (this form) and your most recent unofficial transcript. Complete financial aid applications are reviewed once students are accepted to at Tatoosh program. Incomplete applications are not considered. Please call the school at (503) 347-2599 or email erin@tatooshschool.org if you have any questions about the applications process.

Scholarship aid is available to applicants who show great potential to excel as Tatoosh students and who would be unable to attend without financial aid. Depending upon course cost, a typical program award ranges from \$500 to \$4,000. Full tuition scholarships are rare. Please do not apply for a higher dollar amount than you need.

In addition, a growing number of schools allow students to take financial aid off-campus. Check with your financial aid office to see what aid you may be able to apply to your Tatoosh program.

All Bridger Scholarship applications are reviewed by the scholarship committee, with decision notification by email. While there is no specific application deadline, Bridger Scholarship funds are limited and are awarded on a first come, first served basis.

Financial Aid Information

You may need to gather the following information from a few different sources: your most recent FAFSA, your personal budgets, a parent or guardian, and/or your financial aid office. Its ok if you click out of this form and begin again when you have the information in hand.

You are not required to provide your financial aid information to apply for a scholarship, but this information helps us understand how to best support all of our students. If you are unable or unwilling to provide this information, you may email erin@tatooshschool.org for a pdf application form where you can leave the lines blank.

Where this form requires an answer and you do not receive that type of aid, enter "0." Where a question does not apply to you, enter "n/a" or "not applicable."
